## Key Highlights

### The Offering

A rare opportunity to purchase a development block that is part of the master planned heritage community Union Park Kingston. Block 4 is zoned for residential and hotel uses with a mid-rise height of 10 storeys. Union Park Kingston is well located in the downtown beside Queen's University, across from the waterfront and Portsmouth Olympic Harbour and situated between three regional hospitals. There are four development blocks in total plus a large private park. Construction to commence in Spring 2025.

### Poised For Growth

Kingston, Ontario, is poised for significant growth, driven by an expanding population and rising employment opportunities. The 2021 Statistics Canada Census reports that the city's population has increased by 7.0% since 2016, reaching over 132,000 in 2021. In a recent study, The City of Kingston forecasts, in an endorsed medium growth scenario, that the population will climb by an average annual rate of 1.4%, projecting a population of 197,000 by 2051, reflecting a strong demand for housing. With the city's low vacancy rate, which stood at just 0.8% in 2023, the lowest among all Census Metropolitan Areas in the province, new residential construction is essential. Additionally, Kingston's employment sector is thriving, with key industries like healthcare, education, and technology contributing to job growth. This combination of factors positions Kingston for continued economic and demographic expansion and creates an ideal landscape for development.

### Exceptional Location

Rare opportunity to purchase a fully zoned multi-unit residential or hotel development site in Kingston, Ontario. The city is situated on the northeastern shore of Lake Ontario, nestled between Montreal, Ottawa and Toronto. The site is located just west of Kingston's downtown core on the eastern edge of Portsmouth Village and sits across from Queen's University's Duncan McArthur Hall, commonly referred to as "West Campus". Conveniently located and within walking distance to personal services, multi-national and local retailers. The area is well-served by Kingston City transit and is easily accessible with its close proximity to Highway 401 and main arterial thoroughways. Queen's University main campus, St. Lawrence College, the Cataraqui Golf & Country Club, Portsmouth Olympic Harbour (marina), Hotel Dieu Hospital, Providence Care Hospital and Kingston General Hospital are located nearby.

# Area Highlights

## Kingston's Downtown Business Improvement Area

The Kingston Downtown Business Improvement Area (BIA) is an established association that in collaboration with Tourism Kingston and Kingston Economic Development Corporation, promotes the success of over 700 commercial properties, business owners and tenants in the City of Kingston's commercial core. The efforts of these organizations foster the vitality of Downtown through street beautification and maintenance, financial funding support, local and governmental resources, special events and general marketing and promotion. Together the organizations target viable business investment, support a robust and vibrant tourist industry and promote community engagement.

## Growth & Development

# 0.8%

Kingston Vacancy Rate, 2023

Source: [CMHC Rental Market Survey\\*](#)

In 2023, Kingston, Ontario, experienced a rental vacancy rate of just 0.8%, the lowest among all Census Metropolitan Areas in the province. This alarmingly low rate reflects a significant housing shortage, as demand for rental units far outstripped supply. The tight market conditions have led to increased rent prices, making it more challenging for residents to find affordable housing. The situation underscores the pressing need for more housing development. ([City of Kingston, Global News](#)).

# Offering Process

Rockwell Commercial Real Estate, Brokerage (“Listing Brokerage”) has been retained by The “Seller” as the exclusive advisor for the disposition of the Seller’s property located at 30 John A Macdonald Boulevard, Kingston, ON (the “Property”). Interested parties shall be required to execute and submit the Seller’s Non-Disclosure Agreement (the “NDA”) prior to being provided with access to and receiving confidential information contained within the Listing Brokerage’s Data Room (the “Data Room”). Prospective buyers shall submit their offers directly to the Listing Broker electronically at the email address, martin.skolnick@rockwellcre.com. All questions related to offer submissions or general property inquiries shall be directed to the Listing Broker. The Seller reserves the right to alter its instructions to the Listing Brokerage at anytime.

The Seller also reserves the right to withdraw the Property from the market at any time without recourse and is not obligated to negotiate with or accept any offer submitted by a prospective buyer.

**DISCLOSURE: Martin L. Skolnick is a licensed Realtor with Rockwell Commercial and is a partner, director and shareholder in Siderius Developments Ltd.**

## Broker’s Data Room

Upon execution of the Seller’s Non-Disclosure Agreement, the Listing Broker will provide instruction to qualified prospective buyers for access to the Listing Broker’s Data Room. The Data Room contains a comprehensive inventory of confidential due diligence documents and reports, including but not limited to:

- Plan of Subdivision (PDF + ACAD)
- Site Servicing Plans
- Storm Water Measurement Plans
- Environmental Reports
- Project renderings
- Aerial pictures
- Heritage and Easement Agreement
- Ontario Land Tribunal (OLT) Withdrawal Letter and minutes of Settlement
- Consolidated zoning and project zoning (November 1, 2022)
- Draft Reciprocal Easement and Cost Sharing Agreement
- Union Park Kingston Master Concept Plan
- Brownfield Site Agreement
- Approved Subdivision Agreement
- Approved Construction Agreement

All documents and information contained within the Data Room is provided by the Seller and Listing Broker without any representation or warranty as to its accuracy, completeness, or relevance, and is provided for information purposes only. Buyer’s shall rely on its own independent enquiries, inspections and testing.
